SUMMER

Education Explorers Summer Camps

The preschool session offers science challenges centered around the theme of summer. Campers will learn about waves and create an ocean in a bottle, learn basic chemistry principles by creating magic sand, learn about meteorology by creating a rain cloud in a jar and so much more!

The elementary session will offer a sail boat building challenge, buoyancy lessons as participants create “Cartisian Divers”, engineering by designing, building and testing water slides and water balloon catapults. They will explore the different ocean zones, learn about polymers by creating ocean and sand slime and more.

**Monday through Friday
