Join Nicole March, The Quilted Tyer, for Fly Fishing 101. Nicole is the Secretary of the Catskill Fly Tyers Guild and Senior Mentor of “Kids on the Fly” who enjoys teaching others in a laid back and fun setting that encourages plenty of questions, along with a reminder that fly fishing should be fun and mistakes are all part of the learning process. In this 6 week program, students will learn the basics, including how to cast a fly rod, knot tying, trout behavior, entomology (insect life cycles), as well as parts of a stream. There will also be an introduction to fly tying where students will learn to tie their own flies! All supplies are included, but space is limited!
