

THE REASSESSMENT OF RIDGEWOOD

The following is the definition of a Reassessment Program as described in the "Handbook for New Jersey Assessors" :

"A reassessment program seeks to spread the tax burden equitably within a taxing district by appraising property according to its true value and assessing it based upon such value. This is accomplished by the mass appraisal of all real property in the taxing district by an outside professional appraisal or reassessment firm."

The following power point presentation was created by Appraisal Systems, Inc. to provide a basic outline of the reassessment process. All rights are reserved.

THE REASSESSMENT OF RIDGEWOOD

There is an erroneous assumption by some that a reassessment is a means by which a municipality increase property taxes.

Reassessments do not increase the total amount of revenue to be raised by taxation. The municipality only collects the amount of tax dollars that the four units of local government (local school, regional school, county government and municipal government) determine is necessary to operate.

New Jersey's real property tax is ad valorem or a tax "according to the value." The State Constitution at Article VIII, Section 1, Par. 1 requires that all real property be assessed at the "same standard of value." New Jersey Statutes at N.J.S.A. 54:4-23 establish the standard of property value to be the "full and fair value" or "true value" which is defined as "the price at which, in the assessor's judgement, each parcel of real property would sell for at a fair and bona fide sale."

THE REASSESSMENT OF RIDGEWOOD

Why a Reassessment?

- Ordered by County Board of Taxation
- Criteria used to determine need:
 - * last reassessment (2013)
 - * average ratio (60.52)
 - * C.O.D. (14.57)
 - * number of appeals
- Other:
 - * changes in characteristics in areas or neighborhoods within the municipality and in individual properties
 - * economics (inflation and recession)
 - * fads (desirability of architecture, size of home, etc...)
 - * legislation (wetlands, pinelands, zoning, etc...)
